Natural Resources Conservation Workshop 2014

Students going to classes in ABAC's Agriculture Sciences Building.

Workshop Mission

To educate students on the importance of Georgia's natural resources.

Fisheries Management Class

2013 NRCW students.

Workshop Information

- More than **\$18,000** in college scholarships will be awarded during the workshop!
- Available to Georgia's rising 10th, 11th, and 12th grade students.
- Located at Abraham Baldwin Agricultural College in Tifton, GA.
- Featuring field trips, classroom instruction, and recreational activities.

Hands-on Learning.

NRCW Director, Luke Crosson, presenting a scholarship during the workshop.

The workshop focuses on the value, protection, and conservation of Georgia's wildlife, forestry, soil, and water resources, including conservation in Georgia's mining industry.
