

**ROOSEVELT
SOIL AND WATER CONSERVATION DISTRICT**

On January 23, 1980 the Roosevelt Soil and Water Conservation District was organized and is a legal subdivision of the Georgia State Government. The District exists to serve the public and to ensure a healthy and productive environment. For this reason, the District's task is to work for the well being of all people while safeguarding land, water, and related natural resources for the benefit of future generations.

**Fiscal Year 2013 Accomplishments
Roosevelt Soil and Water Conservation District**

- Offered support to Local Issuing Authorities for their Erosion and Sedimentation programs through education programs and overviews.
- Encouraged teams to enter the Envirothon.
- Supported the EQIP, WHIP, CSP, CCRP, and other USDA programs.
- Supported youth education in their District by providing Soil and Water Stewardship materials to schools and education centers.
- Supported the Two Rivers RC&D council and its programs including the no-till drill program.
- Found sponsorship for 1 student to attend the Natural Resources Conservation Workshop held in Tifton at Abraham Baldwin Agricultural College.
- Held the Youth Wildlife Field Day to educate 3rd graders in Troup County about natural resources at the Marvin Jones Outdoor Education Center at Troup County High School.

Do you have a conservation plan for your farm, or does your plan need updating? For conservation needs, call your District Conservationist at the Natural Resources Conservation Service office:
