

Brier Creek Soil and Water Conservation District donated \$750.00 to Lucy C. Laney High School to expand their agriculture and conservation program. MoID teacher Tammy Holley has been instrumental in creating a place to teach her students about plants, pollinators, grafting, garden planning, and composting. Pictured above: Dr. Cordaryl Middleton, GSWCC CRM, NancyAnne Conner, MoID teacher Ms. Tammy Holley, and GSWCC Admin Assistant Miki Smith. For more information on Brier Creek Soil and Water Conservation District please contact our Region III Georgia Soil and Water Conservation Commission office @ 912-529-6728.
