

Bale Grazing Demonstration

Pasture walk

When: **Wednesday February 1, 4:30pm**

Where: **Fordham Brothers Farm**

1127 Rebie Rd. Chester, GA 31012

- Are your winter hay feeding areas torn up from tractor tire damage?
- Are there circles of mud throughout your fields, left from the hay rings?
- Are you tired of fighting your cattle at the gate with hay, while trying to keep them from getting out?
- Would you like to increase organic matter and fertility in a particular field?
- If you answered yes to any or all of the above questions, please consider coming out and learning more about this new hay feeding technique.

If planning to attend please call Rolling Hills RC&D

678-614-9484

The USDA Natural Resources Conservation Service is committed to making its information accessible to all of its customers and employees. If you are experiencing accessibility issues and need assistance, please call the USDA Service Desk at 1-800-457-3642. For assistance with publications that include maps, graphs, or similar forms of information, you may also wish to contact your state or local office.
