

Gwinnett SWCD and Silt Saver to Hold Webinar

Silt Saver is a producer of GSWCC-approved silt fencing products and a conservation partner to the Gwinnett County Soil and Water Conservation District (Gwinnett SWCD). Silt Saver donated silt fencing to the district's Crayfish Creek restoration program (see CrayfishCreek.org).

Gwinnett SWCD would like to share with you an upcoming Silt Saver Webinar, October 13, 11:30am - 12:30pm, that reviews silt fencing products, answers questions, and *provides 1 hour of professional training credit*. This webinar is free, but registration is required to access the link. Feel free to share with anyone in your department or profession who you think will be interested. Thank you for your interest.

Questions about this event can be directed to Tixie Fowler, TIXIE.FOWLER@gacd.us.
