

Brier Creek Soil and Water Conservation District in conjunction with Georgia Soil and Water Conservation Commission, presented 1500.00 to Hephzibah High School FFA Program. These funds were presented to further Hephzibah High School FFA Chapter's goals of continued agriculture based education, self sufficiency, and building conservation leaders of tomorrow. Brier Creek SWCD along with GSWCC are dedicated to the enrichment of soil and water conservation through funding, education, technical assistance, and continued efforts to conserve our natural resources. Pictured are the FFA Chapter of Hephzibah High School, Ag teacher and FFA advisor Ladale Hayes, Brier Creek District Supervisor Charles Byrd, and GSWCC Conservation Regional Manager NancyAnne Conner. A special thank you goes out to Central Savannah River RC&D for facilitation of funds.
