

NO-TILL SEED DRILL FREE WORKSHOP

**March 6th 2024
5:30 PM to 8:00 PM**

**Location: Lincoln County Agricultural Bldg,
2080 Rowland-York Dr, Lincolnton, GA**

Come join us for a workshop on how to use our new drill. Learn how to calibrate the drill, discuss the uses and benefits of no-till farming, and how to increase water infiltration into your soil. The no-till drill is great for pasture and hayland renovations, seeding cover crops, grain crops, and more!
