

On October 15-16, Soil and Water Commissioners from Mississippi and Louisiana have been on tours here in Georgia. Kimberly McCollum, Chestatee Chattahoochee RC&D Council and Jennifer Standridge, GA Soil and Water Conservation Commission planned this two day tour... the group visited Hopewell Farms - Gainesville, GA, Green Box Mushroom - Gainesville, GA, UGA Experiment Station - Blairsville, GA and Hillside Orchards - Lakemont, GA. The group enjoyed meals at Don Carter State Park, Forest Hills and Amicalola State Park. Special guest dropped in on the visit... Robert Amos - GA Soil and Water Conservation Commission, Dana Tripp - GA Association of Conservation Districts, Dennis Brown - President, Chestatee Chattahoochee RC&D Council & Broad River SWCD Supervisor and Doris Skipper - National Association of RC&D Councils. Thanks to Hall County Soil and Water District, Upper Chattahoochee Soil and Water District, GA Soil and Water Conservation Commission and Chestatee Chattahoochee RC&D Council for sponsoring the meals and the tours. A BIG "Thank You" to Kimberly and Jennifer for all their hard work putting these two days of tours and meals together!
