

Oconee River SWCD holds Annual Affiliate Member Banquet.

[Oconee River Soil and Water Conservation District](https://www.gacd.us/oconeeriver) River SWCD recently held our annual affiliate member banquet at the Hostess House in Winder, GA. The District recognized Kristin Davis & Todd Whitaker as the District Farmers of the Year. Also receiving recognition was Carol Boss (NRCS, retired) for her work with the district over the past 33 years. Keynote speakers were Dr. Gary Hawkins & Olivia Hawkins. Dr. Hawkins talked about his work with UGA Extension and Olivia gave a presentation about a garden project that she has been working on with local schools. Several old scrapbooks depicting the creation of various watersheds in the district were on display for attendees to view. The Master's Table catered the event.
