

AG DAY DIAMOND LAKES ELEMENTARY

Georgia Soil and Water Conservation Commission, Region III staff, was proud to participate in the 1st Annual Ag Day at Diamond Lakes Elementary school in Hephzibah, Georgia. The students learned about soil erosion and water pollution using our Enviroscape models provided by soil and water conservation districts.

Pictured above is Admin Assistant, Christi Brantley, and CRM, NancyAnne Conner. Opening Ceremonies were lead by Field Service Director Dominic LaRiccia.
