

## It's Plantin' Time!!!

**Georgia Soil and Water Conservation Commission, Resource Specialist, Christi Brantley was invited to join the students at Treutlen Elementary School, get a jump on Spring Plant Day! The students planted squash, cucumbers, peppers, and tomatoes in their raised beds.**

**The plants and soil funding was provided by Ochoopee River Soil and Water Conservation District. Ochoopee SWCD covers five counties including Emanuel, Montgomery, Treutlen, Toombs, and Wheeler.**
