

# **POULTRY COMPOSTER FIELD DAY**

**JUNE 25, 2014**

**12 NOON**

**ERIC SEGARS FARM**

**1234 BATY ROAD**

**MARTIN, GEORGIA**

## **Ecodrum™ Composter**

**Composting made easy, with the most economical solution to animal mortality management!**

The Ecodrum™ composter is a year round controlled composting system, processing 100% of your barn mortalities on site within a short period of time. The cost of owning and operating the Ecodrum™ is comparable to and even less than that of other animal mortality management options.

**Program will also include cost share information from the NRCS and**

**Tips for use from Eric Segars, Farm owner.**

**Meal and Program Sponsored by:**

***Ecodrum,***

***Broad River Soil and Water Conservation District, Franklin County Young Farmers***

***Franklin County Extension Service***

**Please call: 706-384-4463 or 706-384-2843 to reserve your meal**

**Directions: Baty Road is approximately 2 miles from I-85 exit 166 on Hwy 106. Turn right on Baty Road and travel one mile. Look for sign on left.**
