Georgia Dirt & Gravel Road Workshop

— ◆ — Agenda — ◆ —

Attendance

All county administrators, engineers, public works directors, road supervisors, equipment operators and other county officials responsible for the maintenance of unpaved roads are encouraged to attend. The workshop is designed to teach new concepts for maintaining unpaved roads with an emphasis on protecting water quality.

Course Instructors

- Mr. Mike O'Quinn has been practicing law for over 25 years. He specializes in local government law, and has represented counties throughout the state as a lawyer for the Association of County Commissioners of Georgia. As a part of his practice, he has represented county road superintendents in many cases in which there were allegations of negligent roadway maintenance.
- Mr. John Hopkins has over 20 years experience providing road maintenance training to county governments in 35 states. His major areas of expertise include design, construction, and maintenance of low volume roads; developing and conducting technology transfer programs for local officials; roadway, bridge, and plant construction; and materials analysis.

Registration

There is no charge for registration, however advanced registration is required. Registration forms can be downloaded at tworiversrcd.org or faxed by calling 706-885-0101. **Registration forms must be returned before May 10, 2013.** Lunch is provided for all attendees.

Special Needs

If you have special dietary needs or physical limitations, please call us at (706-885-0101) or make a notation on your registration form.

Acknowledgement

This project was funded or partially funded by the Georgia Environmental Protection Division through a Clean Water Act Section 319 Non-Point Source Grant originating from the U.S. Environmental Protection Agency.
