

2013 Plan of Work

**ROOSEVELT
SOIL AND WATER CONSERVATION DISTRICT**

On January 23, 1980 the Roosevelt Soil and Water Conservation District was organized and is a legal subdivision of the Georgia State Government. The District meets the first Wednesday of each month at 6:00 PM in Mountville.

DISTRICT SUPERVISORS:

MERIWETHER COUNTY

Willis T. Woodruff
2300 Piney Woods Road
Hogansville, GA 30230

Cullen R. Patton, Jr.
6891 Hwy. 100
Hogansville, GA 30230

Glen Gosa
1025 Mountain Ridge Drive
Manchester, GA 31816

TROUP COUNTY

Julian Morris Jones III
121 Ashling Drive
LaGrange, GA 30241
(Secretary / Treasurer)

Joel D. Keith
4541 Mountville Road
Hogansville, GA 30230
(Chairman)

Marcus Jones
271 Frost School Rd.
LaGrange, GA 30241

**Roosevelt
Soil and Water Conservation District**

**Annual Plan of Work
Fiscal Year (FY) 2013**

This Plan of Work establishes the major objectives for the Roosevelt Soil and Water Conservation District during FY 2013. It emphasizes conservation of natural resources within the District.

Major Objectives

- 1. Natural Resources Conservation** - Promote the conservation of soil, water, forestry, wildlife, and other natural resources.
- 2. Conservation Education** – Promote conservation education through youth and adult education programs.
- 3. Public Relations & Information** - To create public awareness of District conservation programs and objectives.
- 4. Erosion and Sedimentation Program** - Provide technical assistance related to erosion control and sedimentation prevention to citizens and local units of government.
- 5. Watershed Flood Control Program** – Uphold the duties as sponsor of watershed flood control structures in the District and assist other watershed control structure sponsors with technical assistance.

Natural Resource Conservation

Action Item

1. Promote natural resources conservation through the District responsibility for implementing the Environmental Quality Incentives Program, Conservation Stewardship Program, Conservation Reserve Program, and other Farm Bill programs.
2. Provide assistance to landowners to plan and apply conservation practices.
3. Host an annual Local Work Group Meeting with agency partners and local farmers to prioritize resources and practices for Farm Bill Program Funding.
4. Promote minimum and no-till conservation farming through the use of no-till drills through the Two Rivers RC&D.
5. Assist land users to apply best management practices that will reduce annual soil loss.
6. Implement program activities with the Natural Resources Conservation Service

that adequately protects agricultural land in the District.

7. Provide soils information to the public to promote proper land use planning.
8. Provide wildlife management recommendations to landowners.
9. Promote forestry management practices that benefit natural resources conservation and inform landowners of the assistance available through the Georgia Forestry Commission related to forestry management.
10. Sponsor and conduct demonstrations, tours and field days to acquaint farmers and land users with methods for protecting soil and water resources and promote greater participation.
11. Inform landowners about the Cogongrass Eradication Program.
12. Promote Project WINGS (Wildlife Incentive for Nongame and Game Species) with Two Rivers RC&D and various utility companies.
13. Promote ag water conservation technical assistance through the GSWCC Ag Water Conservation Program.
14. Make ag water use data available from the GSWCC Ag Water Metering Program.

Conservation Education

Action Item

1. Sponsor high school students to attend the Natural Resources Conservation Workshop (NRCW) at Abraham Baldwin Agricultural College (ABAC) in Tifton to introduce them at an early age to the concepts of soil and water conservation. Tuition for each student will be paid from District funds or from outside sources.
2. Purchase and distribute stewardship materials from NACD to inform the public of the need to manage and protect natural resources.
3. Be available for presentations with specific information on soil and water conservation for presentations to schools, civic clubs, churches and others.
4. Assist 4-H Clubs and FFA Chapters with land-judging/training.
5. Work with a county school system in developing an outdoor Natural Resources Conservation Study area on school grounds.
6. Sponsor and provide funding, when available, for students to represent the District in the Envirothon program, Soils Judging teams, and other natural resource and environmental competitions.
7. Coordinate with other conservation agencies to provide a Youth Wildlife Field Day for the 4th grade students in Troup and Meriwether Counties. This field day will give students hands-on experience that can't be taught in the classroom.
8. The SWCD will pay a per diem to supervisors who attend conservation meetings and continuing education opportunities.

Public Relations and Information

Action Item

1. Develop and distribute annual report on the District's accomplishments.
2. Provide for oversight of District funds by the annual review of expenditures and income, and provide a detailed financial report to the Georgia Soil and Water Conservation Commission at the end of each fiscal year.
3. Work closely with other agencies (FSA, RD, Cooperative Extension Service, Georgia Forestry Commission, GSWCC, NRCS, RC&D and DNR) to coordinate conservation program activities in the District. Encourage each agency representative to attend board meetings and keep District supervisors informed on the various agency programs in the District.
4. Prepare news articles on the District's program and activities.
5. Invite public government officials to all District functions to make them aware of District goals.
6. Keep locally elected officials fully informed about conservation issues and of on-going conservation programs and District accomplishments.
7. Appoint a SWCD Liaison to serve on the Two Rivers RC&D Council board.

Erosion and Sedimentation Program

Action Item

1. Review erosion and sediment control plans for land disturbance projects within the limits of each Local Issuing Authority (LIA) that falls under the requirements of the erosion and sediment control ordinance of the LIA where there is not a Memorandum of Agreement with the District.
2. Provide technical assistance to evaluate soil and water resources for proposed development projects.
3. Promote soil and water conservation through the GSWCC Erosion and Sedimentation Certification Program.
4. Provide LIA's with technical assistance for their erosion and sedimentation control program and assist with interpretation of the Georgia Erosion and Sedimentation Act.

Watershed Flood Control Program

Action Item

1. Conduct regular inspections of the District sponsored Watershed Flood Control Structures.
2. Request funding to clear trees and repair damage on District sponsored Watershed Flood Control Structures.
3. Raise awareness of the Watershed Flood Control Structures with the public and locally elected officials to solicit assistance with maintenance and to show their importance to the watershed.

The District will seek, manage, and expend funds made available through private, local, state and federal sources in such a way as to promote soil and water conservation and conservation education.

General District Budget for 2013

	<u>District Funds</u>	<u>GSWCC Funds</u>
Youth Projects	1000.00	200.00
NACD, GACDS, RC&D Dues	1550.00	0
