

Brushy Creek Watershed Management Plan

March 21st, May 23rd, September 26th 2018

2529 US Highway 1 N Louisville, GA 1:00-3:00 PM

You are cordially invited to attend a stakeholder meeting with other interested parties.

Using federal funding granted through the Georgia Environmental Protection Division, GSWCC is establishing a pollution control plan for this area.

Three stakeholder meetings will be held at the Jefferson County UGA Extension office.

These meetings will provide progress updates, and a space for feedback/suggestions during the formulation of the Management Plan.

This plan needs, and encourages local community support!
