Mr. Garland Thompson, Chairman  
State Soil & Water Conservation Commission  
P.O. Box 8024  
Athens, GA 30603

Dear Mr. Thompson,

Please accept this letter as my resignation from the Board of Supervisors of the Oconee River Soil and Water Conservation District representing Barrow County. I was the elected Supervisor from Barrow County. I understood that my term had expired December 31, 2010 due to my declining to run for re-election in the 2010 election.

Not being aware of the need for a letter of resignation accounts for my lateness in supplying the same.

I wish you and all the Soil and Water Conservation Districts a very successful future. The conservation of our natural resources has been most important to me since my childhood. In 1959 I won the National Soil and Water Conservation Award at the National FFA Convention in Kansas City, Missouri. If I can ever be of any assistance to you and the Commission, do not hesitate to call upon me.

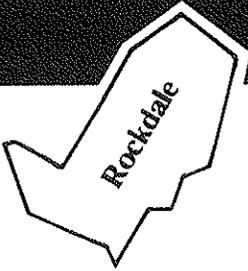

Warm Regards,

  
Boyd S. McLocklin
