

## Pond Management Field Day

Tuesday, September 15<sup>th</sup>, 2015

160 Louisville Road  
Grovetown, GA 30813  
Dinner Provided

Central Savannah RC&D

Come join the Columbia County Soil and Water Conservation District for an informative session on how to improve the quality and performance of your pond. We will have presentations covering topics including fish health, pond maintenance, and NRCS programs. Registration starts at 5:30PM, and the field day starts at 6:00PM.

### For Pond Management Field Day Registration:
