

WETLANDS SEMINAR

hosted by the **HENRY COUNTY CONSERVATION DISTRICT**

Waters of the United States (WOTUS) and the role of the U.S. Army Corps of Engineers.

- ◆ How do you determine if an aquatic resource is a wetland or a stream?
- ◆ When do I need to obtain a permit from the ACOE for my project?
- ◆ What are the other criteria the ACOE looks for when reviewing my project.

Waters of the State of Georgia and the role of the local issuing authority, the GA Dept of Natural Resources, and the Environmental Protection Division.

- ◆ What is a water of the state?
- ◆ How do I determine the point of wretched vegetation?
- ◆ What are the buffer requirements for my project?
- ◆ When do I need to obtain a stream buffer variance for my project?

PRESENTER: AMY ROLLINS, KENAN ENVIRONMENTAL
